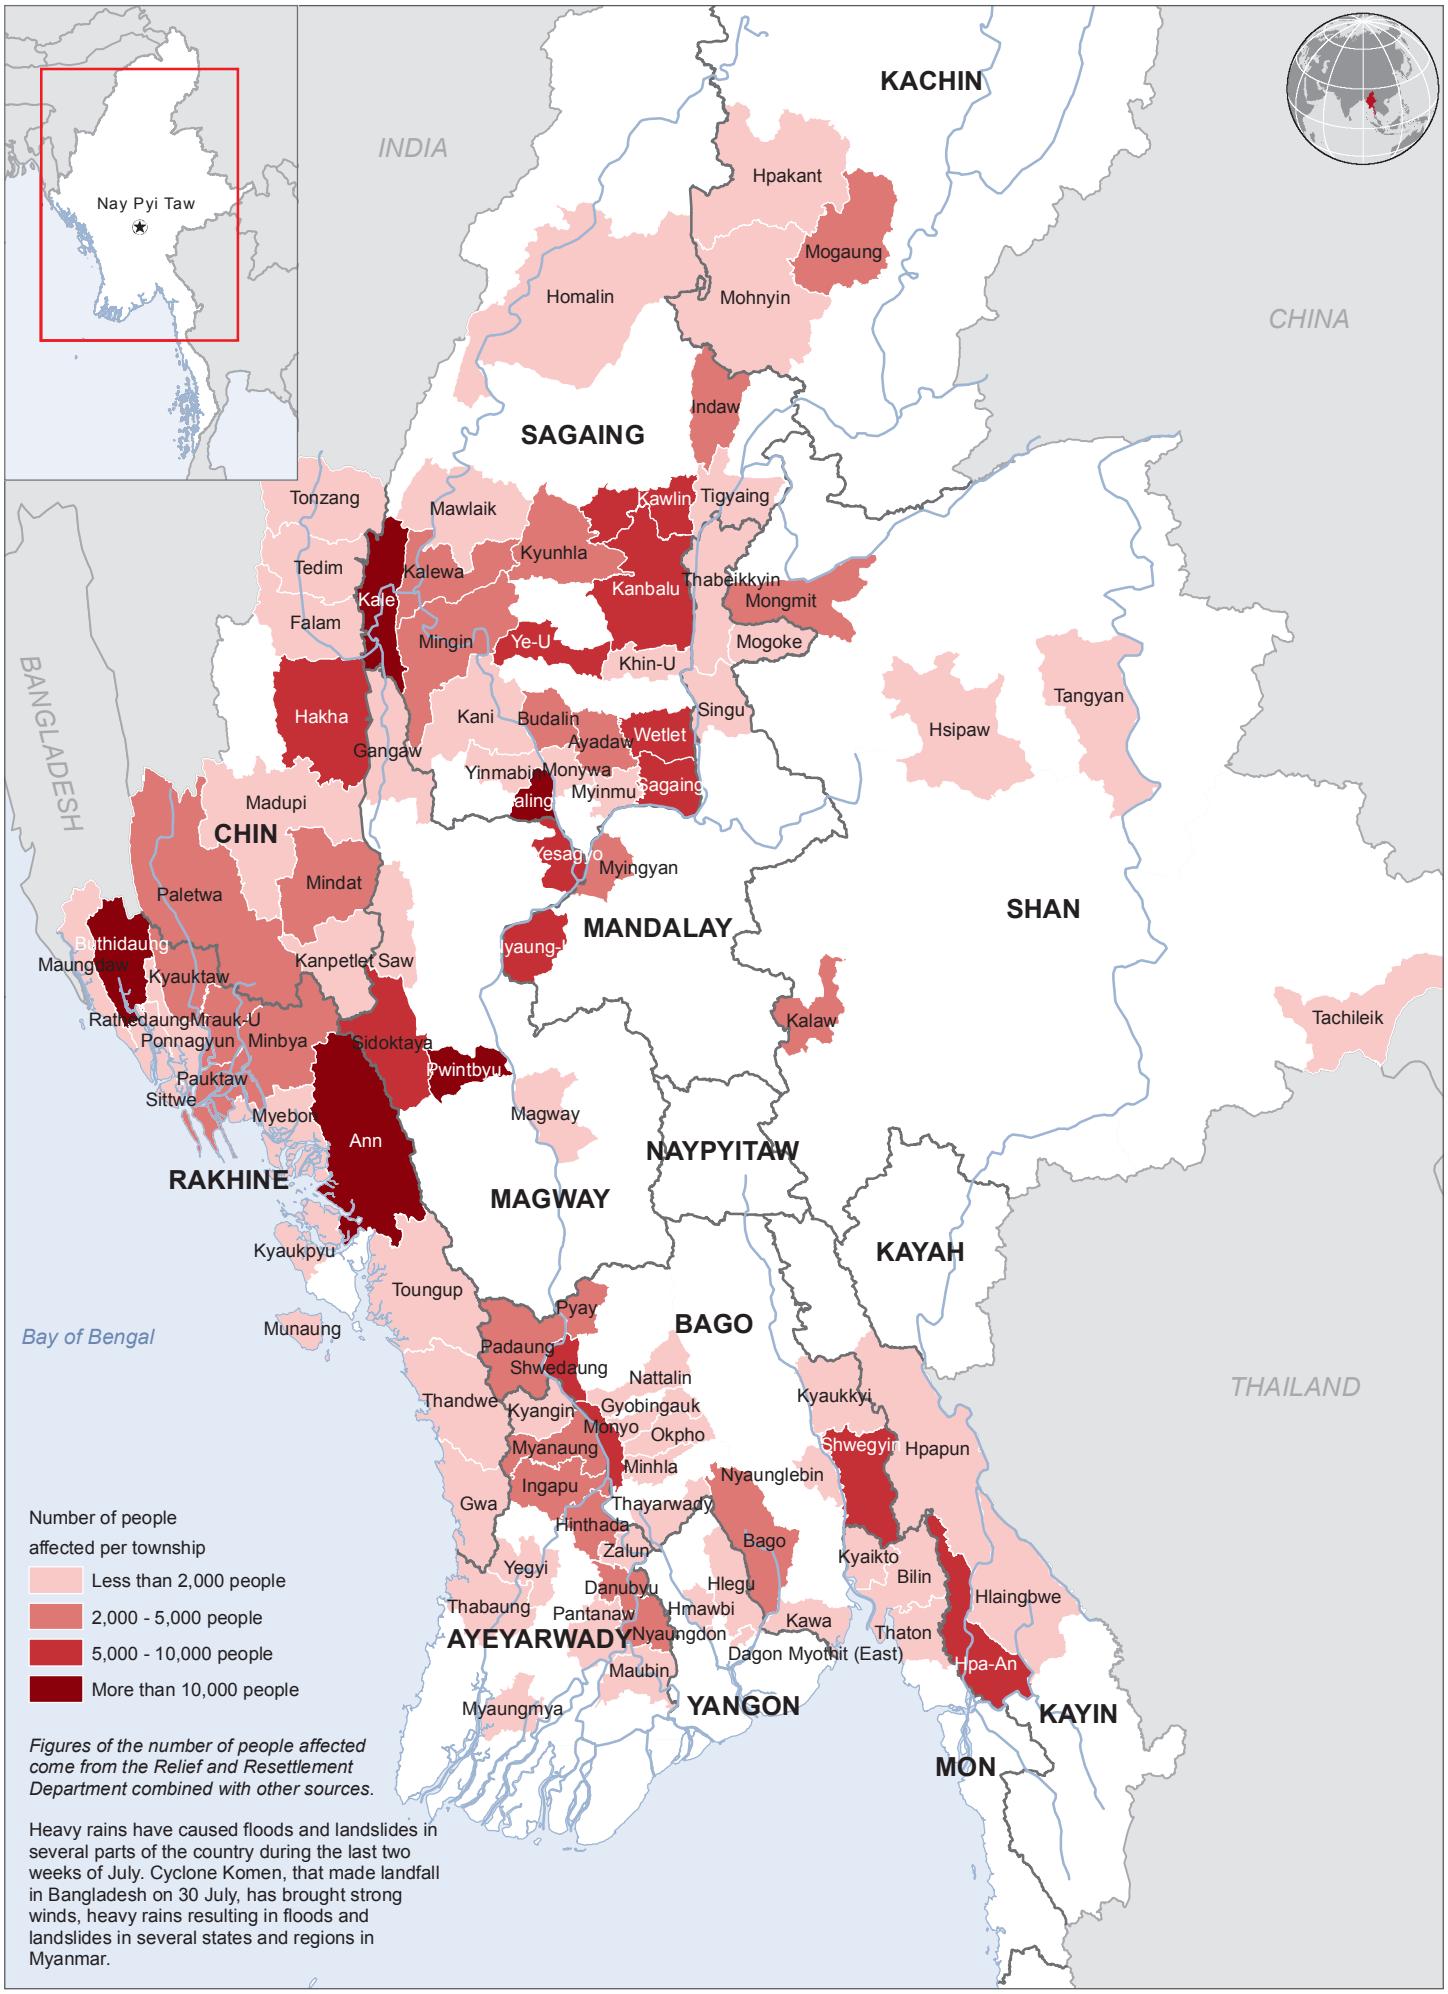
MYANMAR: Flood Affected Areas (6 Aug 2015)

OCHA



Figures of the number of people affected come from the Relief and Resettlement Department combined with other sources.

Heavy rains have caused floods and landslides in several parts of the country during the last two weeks of July. Cyclone Komen, that made landfall in Bangladesh on 30 July, has brought strong winds, heavy rains resulting in floods and landslides in several states and regions in Myanmar.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.
