  - (ii) the primary purpose, and/or the primary effect, of which is to facilitate access to URLs, IP Addresses or Domain Names at which the online locations referred to in this Application as ShareMovies, SeriesOnline8, Movie4U, SeeHD, StreamDreams, MoviesOnline, WatchSoMuch, TorrentKen, SkyTorrents, Unblocked.lol, Unblocked.win, Unblockall, Unblocker and Myunblock can be accessed;

(D) at any other domain names, URLs and IP addresses that the Respondents (or any one of them) and the Applicant agree in writing, have started to provide access, after the date of these orders, to any of the online locations referred to in subparagraph (e)(i) above.

On the grounds set out in the Statement of Claim, the Applicant claims:

1. The requirement under s 115A(4) of the *Copyright Act 1968* (Cth) (Act) that the Applicant give notice of its application to the persons who operate the Target Online Locations be dispensed with in so far as any such notice has not already been given.
2. Each Respondent must, within 15 business days of these orders, take reasonable steps to disable access to the Target Online Locations.
3. Order 2 is taken to have been complied with by a Respondent if that Respondent implements any one or more of the following steps:
  - (a) DNS Blocking in respect of the Target Domain Names;
  - (b) IP Address blocking or re-routing in respect of the Target IP Addresses;
  - (c) URL blocking in respect of the Target URLs and the Target Domain Names, if Target URLs are listed in, or subsequently added to, Schedule 2 to this order; or
  - (d) any alternative technical means for disabling access to the Target Online Locations as agreed in writing between the Applicant and a Respondent.
4. If a Respondent in complying with order 2 does not implement one of the steps referred to in order 3, that Respondent must, within 15 business days of these orders, notify the Applicant of the step or steps it has implemented.
5. Each Respondent must redirect any communication by a user of its service seeking access to a Target Online Location which has been disabled pursuant to order 2 to a webpage established, maintained and hosted by either:
  - (a) the Applicant, or its nominee, pursuant to order 6; or

ME\_161542749\_4

(b) that Respondent or its nominee.

The Applicant's obligations pursuant to orders 6 and 7 only arise if a Respondent notifies the Applicant that the Respondent will redirect a communication pursuant to order 5(a) and for so long as at least one Respondent redirects communications to that webpage.

6. The Applicant, or its nominee, must establish, maintain and host a webpage which informs users of a Respondent's service who have been redirected to the webpage pursuant to order 5 that access to the website has been disabled because this Court has determined that it infringes or facilitates the infringement of copyright.
7. Within 5 business days of these orders, the Applicant will notify each of the Respondents in writing of the URL of the webpage established, maintained and hosted under order 6 and, if the webpage ceases to operate for any reason, will notify each of the Respondents in writing of a different URL that complies with order 6.
8. If, in complying with order 5, a Respondent redirects any communication by a user of its service to a webpage established, maintained and hosted by it, that Respondent or its nominee must ensure that the webpage informs the user of that Respondent's service that access to the website has been disabled because this Court has determined that it infringes or facilitates the infringement of copyright.
9. In the event that the Applicant has a good faith belief that:
  - (a) any Target URL, Target IP Address or Target Domain Name which is subject to these orders has permanently ceased to enable or facilitate access to a Target Online Location; or
  - (b) any Target URL, Target IP Address or Target Domain Name has permanently ceased to have the primary purpose of infringing or facilitating the infringement of copyright,

a representative of the Applicant must, within 15 business days of the Applicant forming such a good faith belief, notify each Respondent of that fact in writing, in which case the Respondents shall no longer be required to take steps pursuant to order 2 to disable access to the relevant Target URL, Target IP Address or Target Domain Name that is the subject of the notice.

10. A Respondent will not be in breach of order 2 if it temporarily declines or temporarily ceases to take the steps ordered in order 2 (either in whole or in part) upon forming the view, on reasonable grounds, that suspension is necessary to:

ME\_161542749\_4

- (a) maintain the integrity of its network or systems, or functioning of its blocking system;
- (b) upgrade, troubleshoot or maintain its blocking system;
- (c) avert or respond to an imminent security threat to its network or system; or
- (d) ensure the reliable operation of its ability to block access to online locations associated with criminal content if it reasonably considers that such operation is likely to be impaired, or otherwise to comply with its legal obligations (other than any contractual obligations to its customers) including under section 313(3) of the *Telecommunications Act 1997* (Cth) or otherwise,

provided that:

- (e) unless precluded by law, it notifies the Applicant or their legal representative(s) of such suspension, including the reasons and the expected duration of such suspension by 5.00 pm on the next business day; and
  - (f) such suspension lasts no longer than is reasonably necessary and, in any case, no longer than 3 business days or such longer period as the Applicant may agree in writing or the Court may allow.
11. The owner or operator of any of the Target Online Locations and the owner or operator of any website who claims to be affected by these orders may apply on 3 days' written notice, including notice to all parties, to vary or discharge these orders, with any such application to:
- (a) set out the orders sought by the owner or operator of the Target Online Locations or affected website; and
  - (b) be supported by evidence as to:
    - (i) the status of the owner or operator of the Target Online Locations or affected website; and
    - (ii) the basis upon which the variation or discharge is sought.
12. The parties have liberty to apply on 3 days' written notice, including, without limitation, for the purpose of any application:
- (a) for further orders to give effect to the terms of these orders;

ME\_161542749\_4

- (b) for further orders in the event of any material change of circumstances including, without limitation, in respect of the costs, consequences for the parties and effectiveness of the technical methods under order 3; and/or
  - (c) for orders relating to other means of accessing the Target Online Locations not already covered by these orders.
13. If a website the subject of any of the Target Online Locations is at any time during the operation of these orders provided from a different Domain Name, IP Address or URL:
- (a) The Applicant may file and serve:
    - (i) an affidavit which:
      - (A) identifies the different Domain Name, IP Address or URL;
      - (B) states that, in the good faith belief of the deponent the website operated from the different Domain Name, IP Address or URL is a new location outside Australia for the Target Online Locations the subject of these orders and brief reasons therefor; and
    - (ii) proposed short minutes of order to the effect that:
      - (A) the definition of Target Online Locations in these orders is amended to include the different Domain Name, IP Address or URL; and
      - (B) the time period in order 2 of these orders starts to run in relation to the different Domain Name, IP Address or URL upon service in accordance with order 17(d) of the orders as made.
  - (b) Order 13(a) does not limit the effect of subparagraph (D) of the definition of 'Target Online Location'.
14. These orders are to operate for a period of 3 years from the date of these orders.
15. ~~Six months~~ No later than two months prior to the expiry of these orders:
- (a) the Applicant may file and serve:
    - (i) an affidavit which states that, in the good faith belief of the deponent, that some or all of the Target Online Locations continue to have the primary purpose and/or the primary effect of infringing or facilitating the infringement of copyright; and

ME\_161542749\_4

- (ii) short minutes of order extending the operation of these orders in relation to the relevant Target Online Locations for a further 3 year period; and
  - (b) the process contained in order 17 shall apply.
- 16. The affidavits referred to in orders 13 and 15 are to be given by a deponent duly authorised to give evidence on behalf of the Applicant and may be given by its solicitor.
- 17. If an affidavit and short minutes of order are filed and served in accordance with orders 13 or 15:
  - (a) within 7 business days, the Respondents must notify the Applicant and the Court if they object to the orders being made in accordance with the short minutes of orders served by the Applicant;
  - (b) if any Respondent gives notice of any objection, or the Court otherwise thinks fit, the proceeding will be relisted for further directions;
  - (c) if no Respondent gives notice of any objection and the Court does not otherwise require the proceeding to be relisted, then the Court may make orders in terms of the short minutes of orders served by the Applicant without any further hearing; and
  - (d) the Applicant must serve on the Respondents any such orders made.
- 18. The Applicant pay Telstra's, Optus', Vocus', TPG's and Vodafone's compliance costs calculated at the rate of \$50 per Domain Name the subject of DNS Blocking undertaken for the purposes of complying with order 2 hereof.
- 19. There be no other order as to costs.
